Tomy,

Attached are the 1974 restoration of annual leave cases which we reviewed on 13 August. If the responses meet with your approval, send them out. Otherwise, make changes as necessary.

STATINTL

Would call your attention to the case of  As you will recall, we decided during our meeting that no leave should be restored, basing our decision on whether or not the period 9-23 December constituted an exigency of the public business. Since we reviewed all the other cases only as regards their meeting the technical requirements, and not as to the applicability of an exigency, I have stated that he may be entitled to the restoration of 24 hours of annual leave, provided the CMD declares that the 9-23 December period was an exigency of the public business.
